Such negotiations shall begin not later than October 15th of the calendar year pre-

ceeding the calendar year in which this agreement expires. Any Agreement negotiated shall apply to the unit defined in Article I, be reduced to writing, be ratified by the Association, be adopted by the Board, and be signed by the Association and the Board.

### **ARTICLE III**

#### ***GRIEVANCE PROCEDURE***

##### **Definition:**

- A. A "grievance" shall mean a claim by a teacher that there has been misinterpretation, misapplication, or a violation of board policy, this Agreement, or an administrative decision affecting him. A grievance to be considered under this procedure must be initiated by the teacher within thirty (30)

days of the time the teacher knew or should know of its occurrence.

- B. 1) It is agreed by both parties that these proceedings will be kept as informal, and confidential as may be appropriate at any level of this procedure.
- 2) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- 3) It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- 4) Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

#### C. Level One

Any teacher who has a grievance shall discuss it first with his principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

#### Level Two

If as a result of the discussion, the matter is not resolved to the satisfaction of the teacher within 5 school days, he may set forth his grievance in writing to his principal on the grievance forms provided.

The principal shall communicate his decision to the teacher in writing with reasons within 3 days of receipt of the written grievance.

### **Level Three**

The teacher, no later than five school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed 10 school days. The Superintendent shall communicate his decision in writing with reasons to the employee and the principal.

### **Level Four**

If the grievance is not resolved to the teacher's satisfaction, he no later than five school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of School who shall attach all related papers and forward the request within 5 school days to the Board of Education. The Board shall review the grievance and shall, at the option of the Board or upon request of the teacher, hold a hearing with the teacher and render a decision in writing with reasons within 35 calendar days of receipt of the grievance by the Board.

### **Level Five**

If the decision of the Board does not resolve the grievance to the satisfaction of the teacher and the teacher wishes review by a third party, and if the matter pertains to this agreement between the Board and the Association, he shall so notify the Board through the Superintendent within ten (10) school days of receipt of the Board's decision. A teacher in order to process his grievance beyond level four must have his request for such action accompanied by the written recommendation for such action by the Association.

No claim by a teacher shall constitute a grievable matter beyond level four or be processed beyond

level four if it pertains to (a) any matter for which a detailed method of review is prescribed by law, (b) any rules or regulations of the State Commissioner of Education, but not to the violation, misinterpretation, or misapplication of such a rule or regulation, (c) any by-law of the Board of Education pertaining to its internal operation or (d) any matter which according to law is beyond the scope of Board authority.

**D. Procedure for Securing the Services of an Arbitrator:**

The following procedure will be used to secure the services of an arbitrator:

- 1) A request will be made to the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
- 2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the American Arbitration Association to submit a second roster of names.
- 3) If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.
- 4) The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties. The recommendations of the arbitrator shall be advisory. Only the Board and the aggrieved and his representative shall be given copies of the arbitrator's report of findings, reasons, and recommendations. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearing.

**E. Rights of Teachers to Representation.**
